

Below is the list of the Presidents of our Association, with their years of tenure and work location at time of tenure. The asterisks behind a name indicate that the person was involved in the creation of the Association (as stated in Appendices I and II in Bull. 2 (2)). Some accolades received by these persons have also been indicated.

Thanks to all those who have provided me with photographs and to those who have actively helped me in finding some of the photographs.

Vous trouverez ci-dessous la liste des présidents de notre Association, avec les années de leur mandat et leur lieu de travail au moment de leur mandat. Les astérisques derrière un nom indiquent que la personne a participé à la création de l'Association (comme indiqué dans les Annexes I et II de Bull. 2 (2)). Quelques distinctions reçues par ces personnes sont également indiquées.

Merci à tous ceux qui m'ont fourni des photographies et à ceux qui m'ont activement aidé à retrouver certaines d'entre elles.
